- Present

- Interior design for residential and public spaces for healing & learning
- Art and programing Director at the Uplands Center, where she invites creative groups, others artists and host her own Creative retreats
- enjoys a beautiful synergy between her Interior Design business and her fine art business

Liz is an accomplished artist with over four decades of experience in the creative industry. With a deep passion for art, she has honed her skills over the years to produce works that are uniquely hers. Drawing inspiration from her life experiences, Liz paints in a free and expressive manner, creating art that truly captures the essence of her being.

In addition to her artistic endeavors, Liz is committed to achieving emotional, physical, creative, and spiritual alignment. She believes that this alignment is essential to pursuing her true calling and creating art that reflects her authenticity. Her dedication to this path is evident in the quality of her work and the impact it has on those who attend her workshops.

Liz is also deeply passionate about helping others grow and heal through the power of art. Her workshops provide an opportunity for individuals to tap into their own creative wellspring, discover their unique artistic voice, and express themselves freely. With a heart full of compassion and a desire to serve, Liz is a true asset to any community seeking to foster creativity, healing, and growth.
